

PETITION FOR CHARTER

to the National Executive Committee

WE, the undersigned, being individually Certified Fraud Specialists, who are Fellow or Regular members in good standing in the Association, have reviewed the needs of our Association members, other anti-fraud professionals, and the public in our area. We have concluded that the formation of an Association chapter is necessary to adequately serve the needs of our community.

FURTHERMORE, it is our wish to coordinate and represent the Association's interests locally by providing an active, visible presence in our community. We desire to serve as the local, anti-fraud training base and create a community network of those engaged in the detection and deterrence of white-collar crime, fraud and abuse. In keeping with our Association's mandate, it is our desire and intention to provide high quality continuing education at the lowest possible cost.

THEREFORE, we, the undersigned, constitute the ten (10) required signatures and respectfully petition the National Executive Committee to issue a chapter charter in the name, and for the location, stated below. We agree to adopt the Association's Uniform Chapter Bylaws in their entirety, as published by the Association. We also agree to comply with the requisite filing of documents with the Association's national headquarters and government entities.
